General Information

Hopetoun, situated in the Victorian Mallee country provides a dramatic departure from the hectic pace of big cities and is surprisingly accessible from both Melbourne and Adelaide.

Lake Lascelles is a mecca for walkers, swimmers, boating enthusiasts and fishermen.

The Mallee Bush Retreat is an ideal stop for not only the weary traveller but people seeking adventure and excitement.

The rustic and sturdy theme of corrugated iron, timber and simplistic lines combine and represent the pioneering farm heritage of the area and presents an ideal "meeting place".

The complex offers a range of unique accommodation options with a very low price tag, including twin rooms, bunk style rooms and powered camping sites - all set in an outstanding natural environment.

For the adventurous camper, sleeping under the stars on the foreshore is permitted at no cost.

Hopetoun is the gateway to Victoria's three great outback National Parks (Wyperfeld, Murray Sunset & Hattah Kulkyne) which protect over 1 million hectares of natural landscapes and are home to abundant wildlife and a fascinating array of native flora.
