rupanyup victoria

wimmera country

Located on the Dunmunkle Creek, the town was first known as Lallat but by 1876 had become known as Rupanyup, an aboriginal word meaning "branch hanging over water". Rupanyup provides a range of services and facilities including a supermarket, cafe, Post Office, bank, pharmacy depot, service station, hardware and a hotel.

In addition, there is an extensive range of sporting facilities, a Men's Shed, and other specialty shops.

In 2017, Julia Volchkova completed the huge mural of local sporting youth from the Rupanyup Football and Netball Club as part of the Silo Art Trail.

Rupanyup is a very welcoming and vibrant community. Come stay and enjoy!

Jack's Track

Barley Banquet

- > **CFA mural** was created on the former Shire Office building by Juddy Roller street artist Goodie during her time at Rupanyup in 2017, as a mark of respect to all our volunteer firefighters.
- > **Cust's Store** located in the middle of town, is an example of an old-style general store and is named after one of the first shops erected within the town. Cust's Store is now home to Rupanyup Living Home and Giftwares.
- > **Memorial Park & Jack Emmett Billabong** is surrounded by native trees and shrubs and boasts a modern amenities block, powered caravan sites and a children's playground. The billabong is well stocked with native fish and makes the precinct a great place to relax with family and friends. Information for the caravan park: Ph 0448 782 834.
- > **Jack's Track** provides a beautiful 3km walking loop through local bushland and wetlands. It starts just North of the Silo Art.
- > **Rupanyup/Minyip Bendigo Bank** was the first community bank branch in Australia, established in 1998.
- > **Silo Art** is located in Gibson Street and was painted in 2017 by 29 year old Russian street artist Julia Volchkova, featuring youth of our sporting teams.
- > **The Old Flour Mill** in Gibson Street is an early and rare example of a portable mill of galvanized iron construction and is adjacent to the first reinforced concrete silos built in the southern hemisphere. These were designed by Sir John Monash and erected in 1909.
- > **Woods' Farming and Heritage Museum** houses an amazing collection of engines, tractors, tools and household memorabilia. Open by appointment only T. 0427 159 154 or (03) 5385 5036.
